NOTICE FROM THE UNITED STATES BANKRUPTCY COURT FOR THE EASTERN DISTRICT OF OKLAHOMA REGARDING THIRD-PARTY SERVICES AND ACCESS TO CASE INFORMATION AND DOCUMENTS IN CM/ECF:

Attorneys should be cautious when using third-party services and software (e.g., PACER Pro, DocketBird, CourtDrive, RECAP, etc.) to collect and organize case filings in matters in which you are involved. It is recommended that you not use such services and software when accessing restricted documents to avoid inadvertently redistributing those documents. Sharing your PACER account credentials with a third-party service provider or designating that provider as a recipient of a Notice of Electronic Filing or Notice of Docket Activity (NEF/NDA) will give it access to sealed case information and documents in violation of court order. You are urged to use caution in your computer security practices to ensure that sealed documents to which you have access are not disclosed. You should also review the Bar Rules to determine if including a third-party service email address is a violation of confidentiality or other obligations. A third-party service also might resell or republish the case documents and information that they obtain. Fee exempt users should not share the documents they obtain from PACER under the exemption because such exemptions apply only for limited purposes and any transfer of data obtained as a result of a fee exemption is prohibited unless expressly authorized by the court. If you have any questions please call the Clerk's Office at 918-549-7200.
